

## JUST FOR YOU

### DFT Gives Back with "Bundle Up For The Holidays" Giving Tree

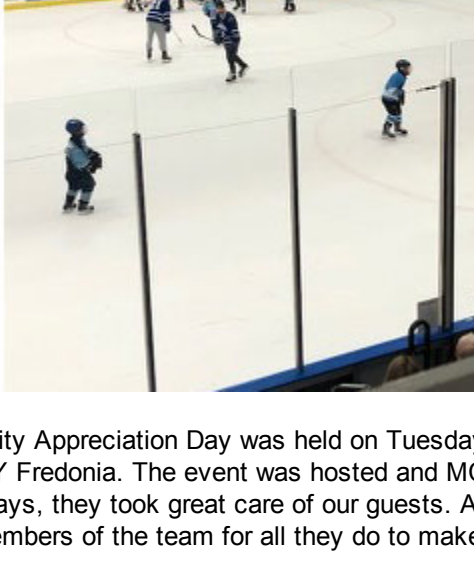

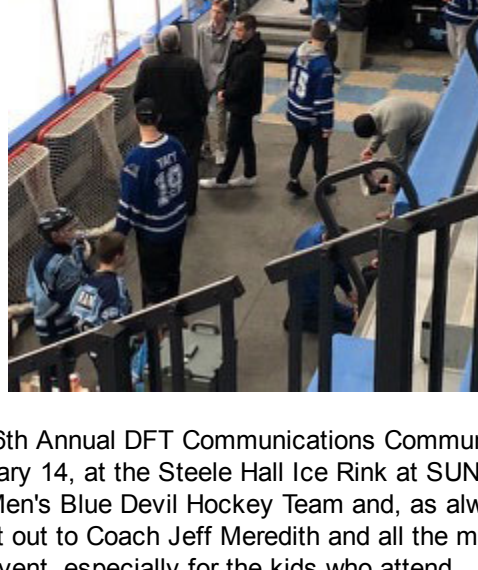

Over this past holiday season and as part of an ongoing commitment of giving back to the community, the employees, families, and friends of DFT Communications once again conducted the annual holiday "Bundle Up For The Holidays" 2019 campaign to help out a neighbor in need. Donations of hats, mittens, gloves, scarves, socks and blankets and other items were used to decorate a Christmas tree inside the lobby of The Netsync Store located at 38 Temple Street, Fredonia beginning the week after Thanksgiving and running through Monday, December 14th. Through the generosity of so many wonderful people, the annual giving tree continues to be a great success!

"We at DFT are very proud of our commitment to this annual community service project. Our employees and many customers and neighbors are very generous and have donated items to..."

### DFT Community Appreciation Day Is A Success!

The 6th Annual DFT Communications Community Appreciation Day was held on Tuesday, January 14, at the Steele Hall Ice Rink at SUNY Fredonia. The event was hosted and MC'd by the Men's Blue Devil Hockey Team and, as always, they took great care of our guests. A huge shout out to Coach Jeff Meredith and all the members of the team for all they do to make it a fun event, especially for the kids who attend.

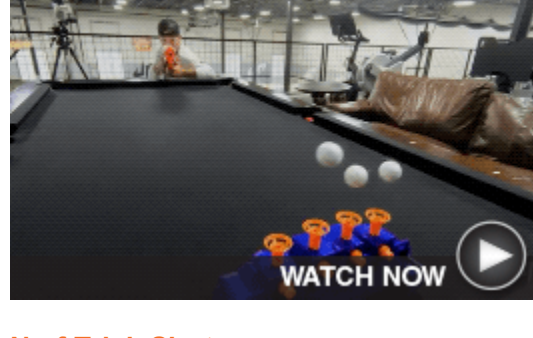

A community family skate was held from 4:00pm until 5:00pm and then pick up hockey games were organized and supervised by team members. Refreshments were provided by the Fredonia Campus Tim Hortons and prizes were awarded for contests during the two-hour event. This was our 6th Annual event and is held in conjunction with the DFT Communications sponsorship of Steele Hall and the Fredonia Men's Hockey Team.
